**THE SENIOR CLASS**  
ST. LUCIE COUNTY HIGH SCHOOL  
FORT PIERCE, FLORIDA

We, the Annual Staff, present this, THE 1951 SANTA LUCIAN to you, the student body and faculty. We hope it will serve to help you remember your school mates in years to come.

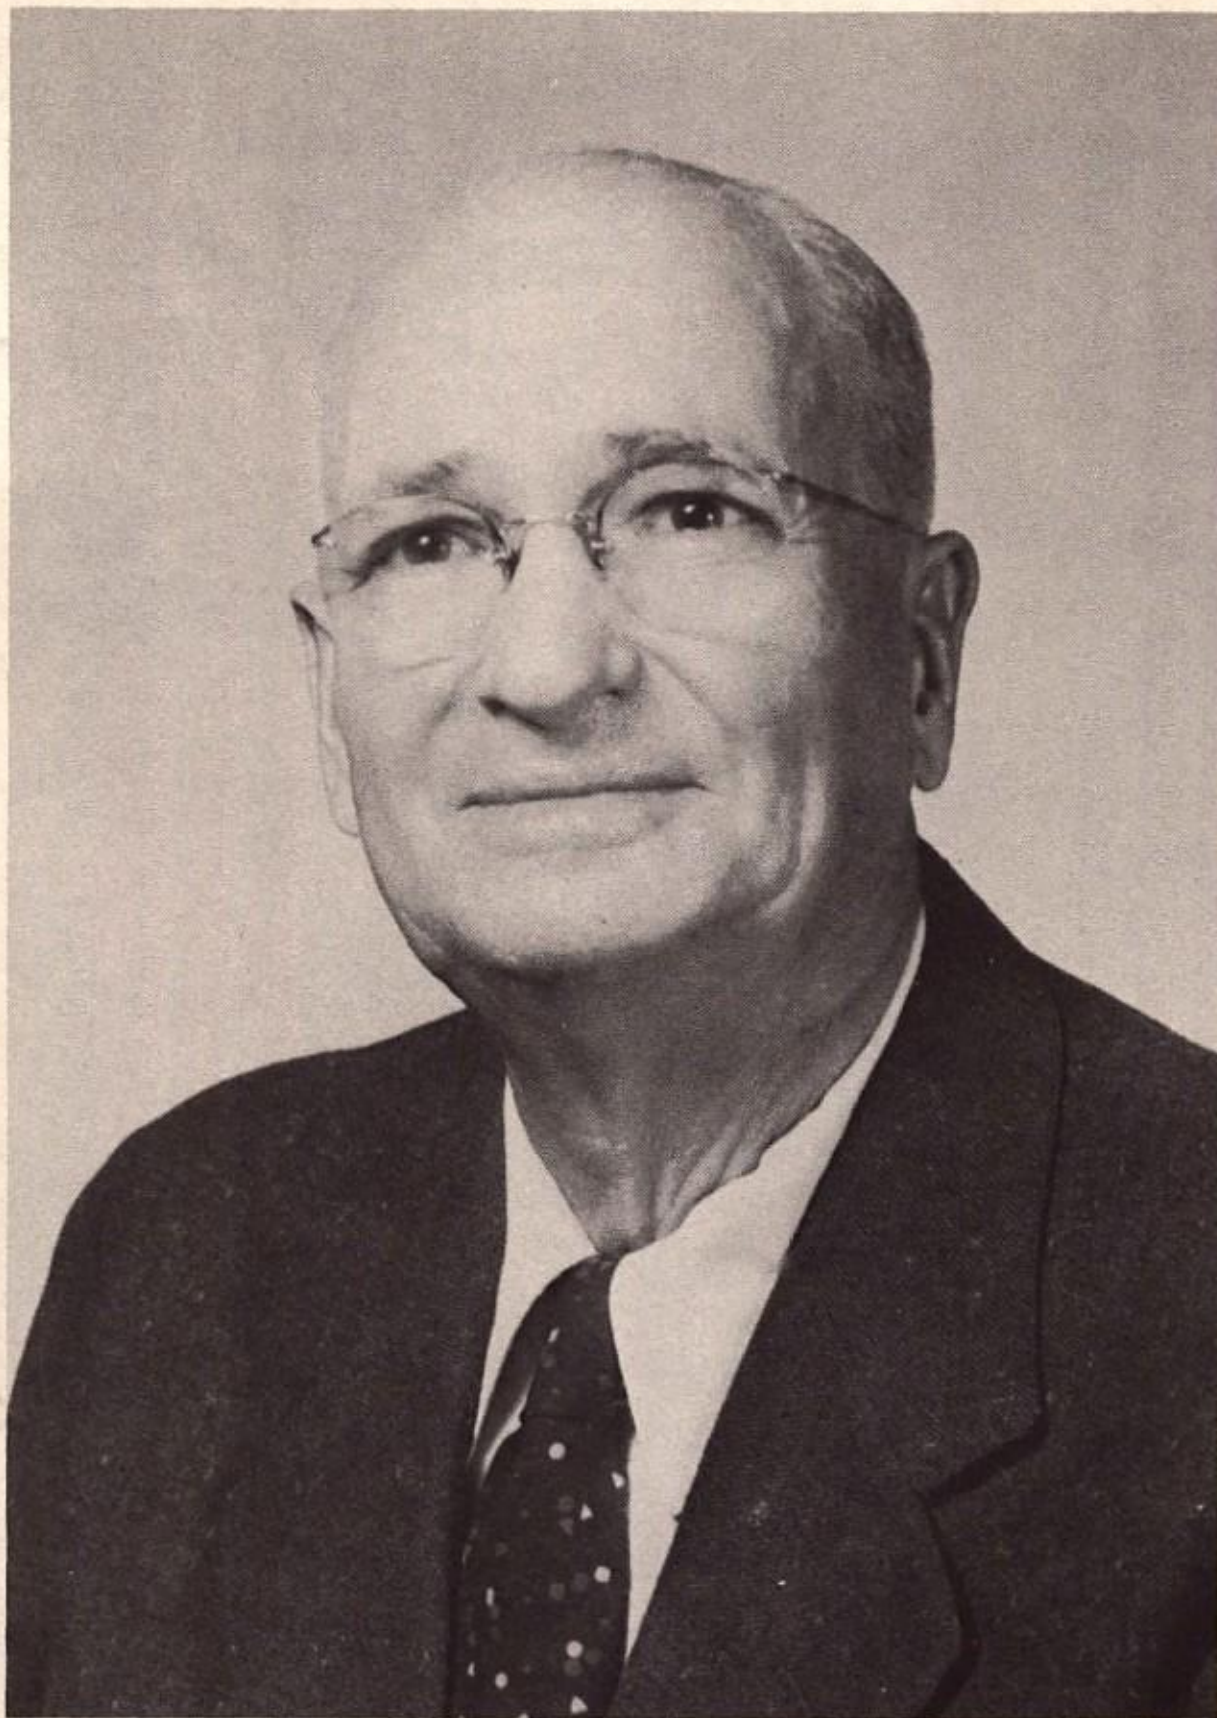

Because of our proximity to the Indian River, the fun and pleasure it affords us, and the inspiration of its wild natural beauty we have chosen "Indian River" for our theme.

*May the memory of our school and river be with us always.*

We, the Senior Class of 1951, dedicate our yearbook, **THE SANTA LUCIAN**, to our beloved teacher and friend, Mr. W. B. Hall. Since first coming to our high school five years ago he has been our special guide and helper. In appreciation for his interest in every member of our class, we proudly dedicate this annual to him.

The STUDENT COUNCIL is the governing body of the students. They have set up a calendar of dance dates and other school social activities. They plan the assembly programs and radio broadcasts. A "coke" machine is operated by them for the convenience of the students. At Christmas they placed a Christmas tree in the main hall and headed a campaign for food for needy families. Perhaps the biggest job they have accomplished is the writing of a new school constitution which provides for a larger Student Council.

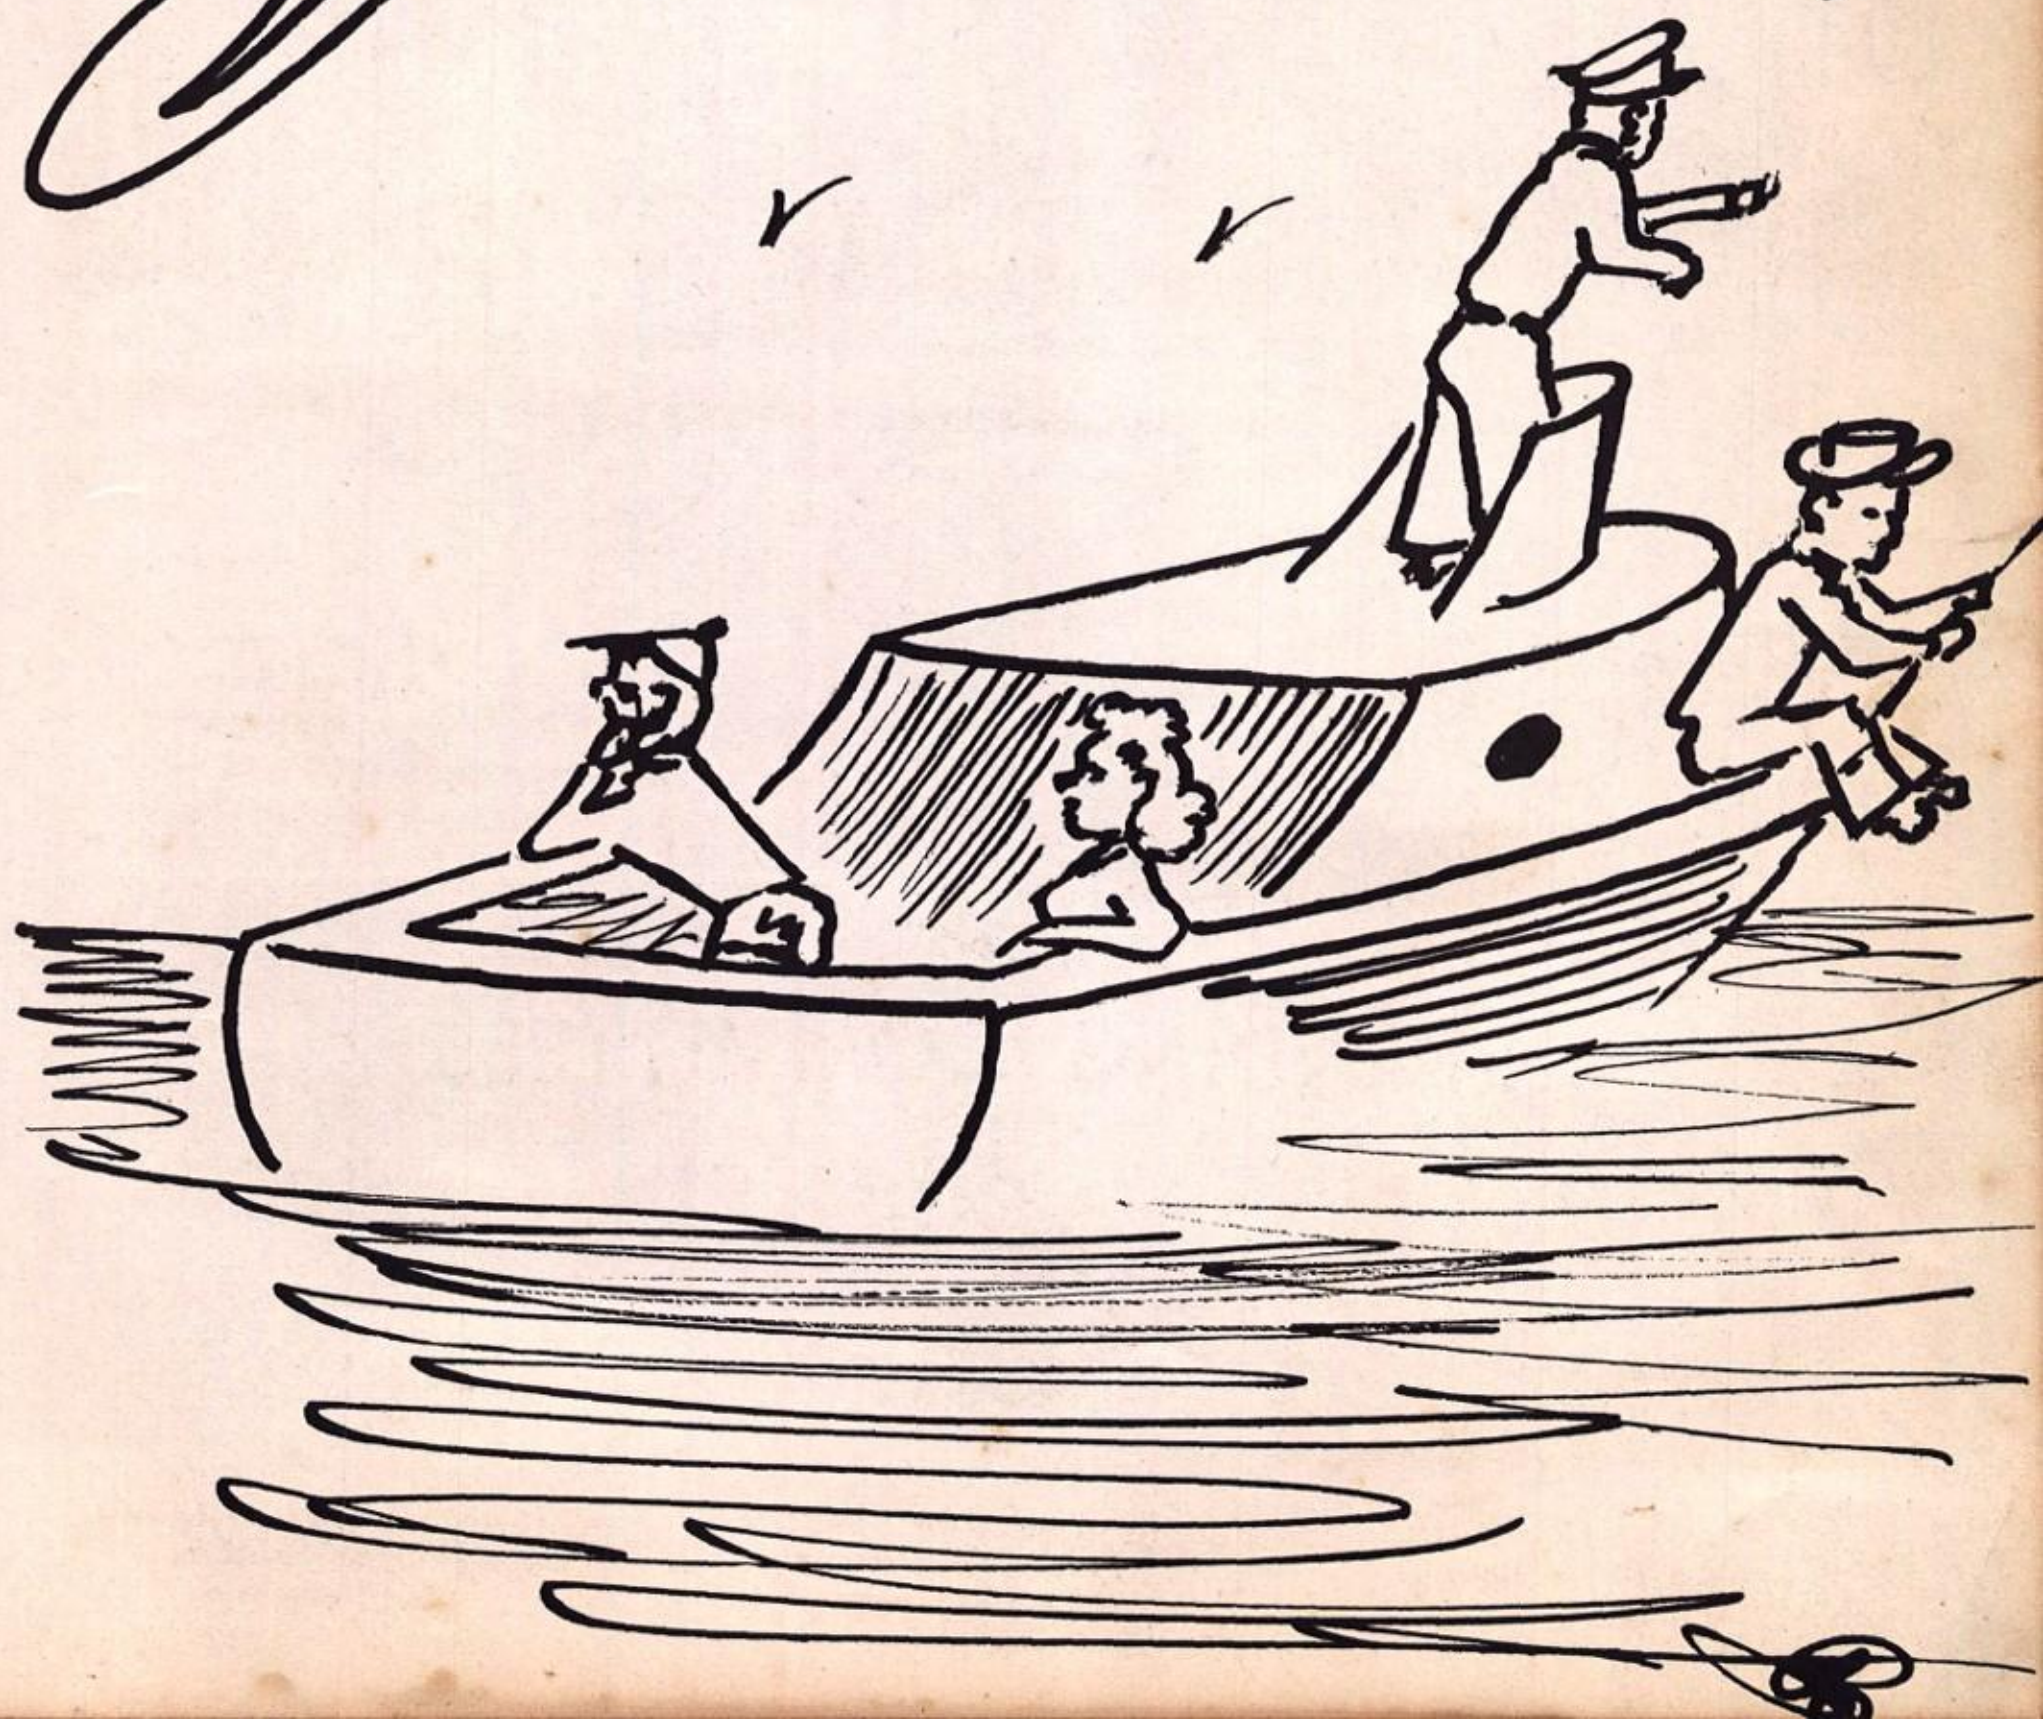

Our Student Council is affiliated with the National, Southern, Florida, and district associations of Student Councils. This year Glenn served as president of the fifth district F.A.S.C., Peeper as the secretary, and Mr. Stokes as the sponsor.

## HISTORY OF CLASS OF 1951

In the fall of 1945 our class entered the seventh grade wing of the Saint Lucie County High School. We chose Ed Enns for our student council representative. Barbara Baker and Mary Alice Snow were appointed by our class sponsors to be our Green and White reporters. Our sponsors for that year were: Mrs. Hubbard, Miss Merritt, Mrs. Sullivan, Miss Thomas and Mr. Fairman, who was later replaced by Mr. Trickey.

The next year we elected Tommy Cheatham as the president of the eighth grade and the other officers were Sue Humphrys, vice-president; Barbara Baker, secretary; and Ed Enns as treasurer. The Green and White reporters and the student council representative were elected to serve again that year. For Stunt Night we entered a skit, "Krazy Kuiz" and received third prize, not aware of the fact that we had begun a record yet to be equaled.

As freshmen in High School, we had two persons on the student council: Sue Humphrys and Norman Platts. Also, we had four reporters on the Green and White staff. Mrs. Priester was our sponsor and we give her our thanks for all she did for us. We received first place honors for our stunt, and our class picnic was a great success.

The officers elected for our sophomore year were: Lowell James, president; Bob Hutchinson, vice-president; Joyce North, secretary; and Warren Alford, treasurer. We were privileged to have Donna Lee Bowman and Glenn Lee Harned represent our class on the cheerleading squad. Sue Humphrys and Norman Platts served as our student council representatives. That year the school introduced a May Day Festival which was to become an annual event. For this occasion our own Betty Jo Sloan was crowned queen. The sophomore-senior picnic proved very successful with blue skies and fried chicken. Working as waiters and waitresses for the Junior-Senior banquet and decorating for the Baccalaureate sermon finished our services for the year.

We, as juniors, elected for our president, Warren Alford; vice-president, Willie Kathryn Thompson; secretary, Joyce North; and treasurer, Glenn Harned. Our student council representatives were June Saine and Glenn Harned. Mr. Eyler was our class sponsor and also the director for our junior play. We were in charge of Stunt Night that year and had to present it two nights to accommodate the crowds. June Saine was our Stunt Night announcer. Mary Hughes presented the feature contest winners of which we had Pat Harrison as Best Dressed Girl and Bob Deitz as Wittiest Boy. Our entire class was well represented in various organizations throughout the school. We gave the seniors a gay time at the annual banquet and prom which was held at the Community Center and Armory, respectively.

The honor and dignity of being a senior was finally bestowed upon us. To lead us through our climactic year, we chose Warren Alford as president, Phillips Rowe as vice-president, Joyce North as secretary, Bob Crebbin as treasurer, and Sue Humphrys as parliamentarian. We had three representatives on the student council who were: Glenn Harned, Willie Kathryn Thompson, and Phillips Rowe. For the heads of the annual staff we elected June Saine as editor-in-chief and Jule Wilcox as business manager. Our class sponsors were Mrs. Scharfschwerdt, who worked with the annual staff; Mrs. Kuhn, who advised us in our class matters; and Mrs. Ashby, who directed our senior play. For our senior play, we chose to present, "The Perfect Idiot" by Atkinson. Our senior stunt won first place honors and we completed our record with five straight wins. Willie Kathryn Thompson and Bob Deitz were presented as Miss Fort Pierce High and Most Popular Boy during the Stunt Night program. We are looking forward to Skip Day, the Sophomore-Senior picnic, the Junior Prom and Banquet and finally the great day when we receive our diplomas and graduate from Saint Lucie County High.

When a group of old friends get together, there is always a discussion of old times, always the remembrance of funny incidents and triumphs shared. These are just a few of those memories which will probably bring scores of other to your mind.

### REMEMBER WHEN:

The boy scout cabin was the scene of the Junior Keen Teen dances every Friday night where, except for a few brave couples, the boys sat on one side of the room and girls on the other.

Jim Baggett was known as the "Late Mr. Baggett" because he had to milk the cow every morning and it caused him to be late.

The science class, under Mr. Trickey, was always discussing football plays.

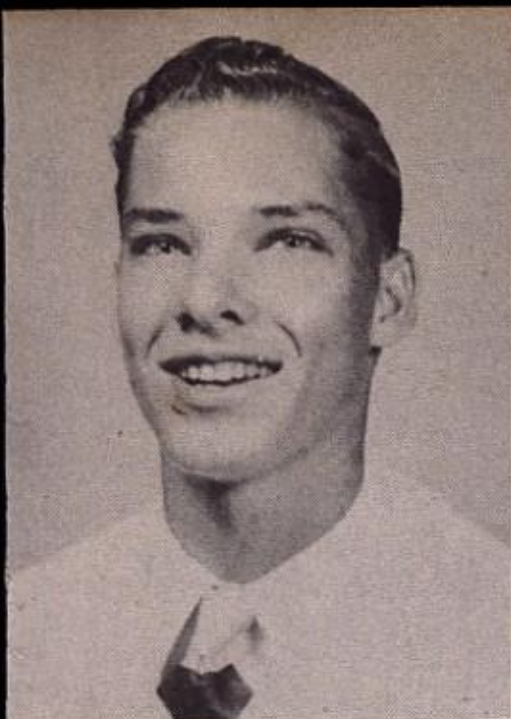

The Eagles won every football game and we declared that the Eagles would duplicate that record when we were seniors. They nearly did, too!

Only seniors sat on the Senior Steps!

Nearly everyone went to the Sunrise Theatre on Saturday afternoon to see who was there and whom they were with.

Slam books came into style and much time was spent in keeping up with what was written in them and in trying to keep them out of the teachers' sight.

## WHO'S WHO

**JIMMY SUZANNE**  
*Friendliest Smile*

**WILLIE HURLEY**  
*Friendliest*

Tobias, the little elephant, was the pride and joy of the eighth grade, particularly Mr. Hall's homeroom.

Mr. Hall repeated over and over to us every day—"Reading is the most important subject" and Mrs. Wiggins gave us a preview of Algebra with her rule, "Substitute in the formula for the values that you know."

The Keen Teen radio program over WIRA was sponsored by us every Saturday morning. Willie Kay, Sue, June, and Mary Hughes played a large part in its production.

We presented our prize winning stunt entitled "A Day With the U. N." Bob Morton was unforgettable in his portrayal of Gabriel Heatter and other world renowned personalities portrayed were Ghandi, by Carl Hantman, and Molotov, by Don King.

We had the "Sophomore Orange Bowl" at the fair where we earned some money for our super-duper picnic. Bet some of the girls still have stained skirts from squeezing juice!

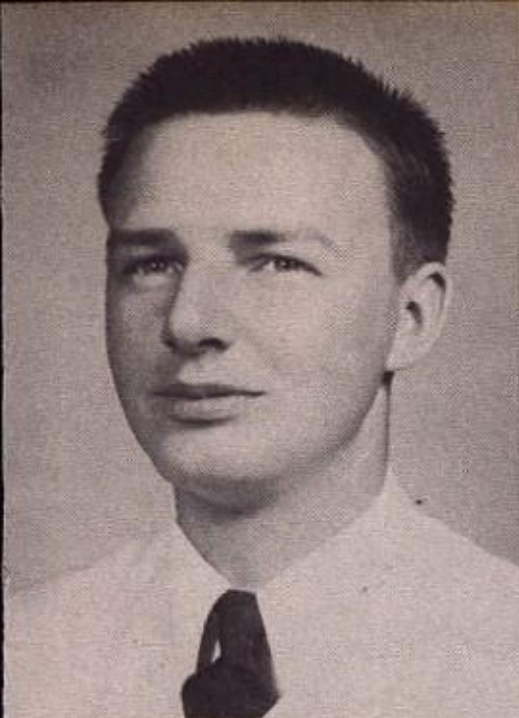

Mr. Hall brought fudge to his homeroom when anyone in it had a birthday or to his geometry classes when they did well in their work.

"Alexander's Board of Mediation" was our stunt in which Suzanne was the old lady who was being bothered by her young whipper snapper grandson and Sue was the hillbilly who wanted her husband, Don Secrest, to wash his feet more than once a year.

Our class rings arrived and we knew that everyone must be as dazzled by them as we were!

Stunt Night was sponsored by the Class of '51. At last we were beginning to make a name for ourselves. Our stunt was about a school room over which Shirley Floyd presided as teacher. The winners of a feature contest were also presented in the stunt. They were: Glenda Lee Harned, Donna King, Roberta Deitz, Edwinna Enns, Ramona Black, Thomasina Neff, Warrenna Alford, Virginia Jernigan and Louise Strickland. Of course, you remember the "Rush In Ballet" presented as an extra by a group of junior boys.

## WHO'S WHO

"You're the Doctor" was chosen for our Junior Play. All action took place in a rest sanitarium. Sometimes the cast felt as though they should actually be in an asylum after practice had lasted until after eleven and there was plenty of homework yet to be done. The six foreign accents called for in the play also caused plenty of confusion until they were finally mastered.

We had fun arguing, planning, decorating and attending the Junior-Senior Banquet and Prom. Old fishing corks, candles, bouganvillea, palms, pink and blue clouds and silver stars overhead, and a beach scene carried out the South Pacific theme. For the Prom the Armory was decorated to represent a jungle by the use of Australian pines. Little wooden animals and balloons were hanging from the fish nets which were used for the overhead decoration.

Higgs served as a second Community Center. Traffic jams occurred when people circling to see who was there met others going in the opposite direction for the same purpose.

There was a mystery centered about the boy who jumped out of the window of Mr. Eyler's homeroom during guidance period. We united quite well in keeping his identity hidden.

All the seniors were in the Auditorium for a while. When one homeroom left, there were still enough people for someone to start the daily dash by shouting, "The bell's rung!"

For the fifth time our stunt won a prize—another first! "Two Defective Mysteries" showed the way different members of a family reacted to the screams of terror and pleadings of the victims in a radio murder.

Most of us decided it was terrible to have to leave just when we reached the best part of school, but then we realized we would not be forgotten soon because of the things we were leaving behind: Our Stunt Night Record, our fame for being original, and our pride in having wonderful publicity for our dances and plays. And we'll always remember when all of these things, and many others too, made up our life as a part of the Class of '51.

That we, the Class of Nineteen Hundred and Fifty One, being of sound mind and memory do declare this to be our will and testament therefore revoking all former wills by us made.

We give, devise and bequeath to our patient, understanding sponsors: Mrs. Ashby, Mrs. Kuhn and Mrs. Scharfschwerdt our ability to argue on most class matters but to reap success in the end.

To our rightful heirs, the junior class, we do turn over all the dignities and responsibilities of the senior class. May they receive the respect seniors are supposed to receive.

We, Warren Alford and Ruthford Taylor, being of sober mind and confused thought, do will to Charles William Godwin our ability to be the bull shooter of the football team and to cut-up on trips. By the way, Godwin, what's the latest gripe?

I, Alva Allison, will to Charles Lord anything I leave at school after I am gone.

I, Barry Ankeny, will to Chuck Padrick, school and my ability to get out of it.

I, Jim Baggett, being of sound mind and body leave to Don McConnell my manly appearance and manners with hopes that he uses them. He needs them more than I do.

I, Barbara Baker, will to Beverly Lush my part of taking care of the band yard. May she get as many blisters as I did. I also will to her my ability to eat as much as I like and not get fat!

We, Tommy Bryant, and Mary Ellen Holmes, being of sound mind and body do will to Glenn Boyd and Maxine Owens, the whole school, gladly, in hopes that they may also get out before the bars are put up.

I, Ronald Campbell do leave to Charlie Blanton my ability to stay out of trouble.

We, Betty Carrera and Janet Thomas, being of sound minds leave to Martha Tedder and Alene Melton, all of our dirty books, the blue piece of double-bubble gum under Mrs. Scharfschwerdt's desk and our sly ways of skipping school and getting an excused absence.

I, Doris Carrera, will to Patty Norvell my title as "Most Athletic Girl" and my well-known giggle.

I, Hurley Carrera, will to Bebo Arnold my vacant place in the senior class. May he be able to get out as soon as I did.

I, Bill Cato, will to John Svec my ability to skip school for four years and only get caught twice.

I, Hershel Rohn, do will to Harry Crowley my ability to get in good with the basketball coach.

I, Janet Rose, will to Barbara Rynski my unique "talent" for laughing at the wrong time, all of the time, also all the old scissors I've worn out cutting my hair with.

I, Phillips Rowe, do hereby leave to Rickey Willes the ability to work as hard on his chemistry next year as I have had to work in Physics.

I, June, being of Saine mind, do hereby will to Diane Dye my four year old bottle of shoepolish which has never been opened, and the reputation of having the dirtiest saddle oxfords in school. To Donn Bicksler, my chair in the sax section where you get wet when it rains, frozen when it's cold, and choked with dust when it's hot.

I, Patsy Sallette will to Bob Bass all the fun I had in high school and some of my weight so he can make the football team next year. (At last some of it gone!)

I, Dorene Schurmann, do will to Bobby Neill my ability to skip at least one class a day without getting caught, and to Alene Simonsen all my old odds and ends.

I, Don Secrest, will to Marion McMullian my pair of worn out baseball shoes; may they carry him to the plate and back as many times as they have me. I also leave him my title as "Wittiest Boy" in the senior class.

I, Geech "Soupbone" Selph, will to Bobby "Ham-bone" Anderson my ability to smoke cigars on the football bus without being caught by the keen sense of smell that Coach Slay has for tobacco during football season.

I, Doris Jean Sheffield, hereby will to Rosa Curry my ability to grow, and may she use it better than I.

I, Lura Fae Sheffield, being of my usual sound mind, I reckon, do will to Pearl Pierce my one little ole "natural" blonde streak of hair in front. May you be accused of using peroxide as often as I have been.

I, Betty Jo Sloan, will to Martha Keene my title as "Most Conceited Girl." May she deserve it and use it.

I, Jeane Sloan, will to Edith Sample all my spare time that I never seem to be able to find.

I, Patty Lou Smith, do leave to Sarah Ann Morris my ability to get to school on time, (except the times I'm late). Here's hoping she can run as fast as I can.

I, Velorene Spencer, will to Myrtle Glover my modest and innocent ways. May she use them more than I did.

I, Betty Strickland, do will to Portia Huffman my ability to go hot-rodding and speed-shifting all over town—(that which I didn't learn from Mr. Huff).

I, Lewis Strickland, do will to Dick Waldron my passing grade for the first semester in Physics.

I, Frank Strunk, to Bill Burney, my right arm which isn't worn out yet.

I, Herschell Thompson, hereby will to Tommie Holton my supreme ability to skin my knuckles speed-shifting to "second"; and, believe you me, I am surely glad to get rid of it.

I, Willie Kathryn Thompson, do leave to Ellen Stephens all the hard work which comes with being a senior. May she have as much fun doing it as I have.

I, Fred Summerlin do hereby will to Charlie Summerlin my ability to smoke through football season for four year without the coaches knowing about it.

I, Samuel Varn, being of sound body and mind, do will to Jack Scott one foot of height, of which I shall be glad to be rid.

I, Joan Vogt, do will to Sondra Kendrick my place on first row of the Glee Club, and also my ability to know all the music in time for concert, though I never study it.

I, Suzanne Warne, do will to Harris Campbell my ability to move out of White City in hopes that he can move in town in the next few years.

I, Kay Whidden, do will to Faye Whidden my old red skirt providing she fits into it as well as I thought

I did; and to Webb Dominguez my smile that he may win more girls than I did boys.

I, Jule Wilcox, leave to Kathryn Hutchinson my title as "Best Dancer" and also my ability to remain true to one boy all through my junior and senior years.

I, Martha Wilson, do hereby will to DeRon Ingram and Anne Young my scooter and sidecar and may they learn to ride it as quickly as I did.

I, Wade Wilson, do will to Stuart Whiddon my title as "Most Dignified Boy."

We hesitatingly leave to the annual staff of 1952 the load of producing the traditional year book and our empty bottles of hair dye that we used to keep us young looking.

We leave to Mrs. Hagel, who so graciously let us use the library as our workshop, our aftertime light bills and leftover aspirin although they are few in number.

In witness whereof we have hereunto subscribed our hands and publish and declare this instrument to be our last will and testament in the presence of the witnesses named below on this 24th day of February in the year of our Lord, one thousand nine hundred and fifty-one.

# STUNT NIGHT

The Junior Class presented the annual "Stunt Night" program in January. For several months the different classes and clubs had been working on their stunts.

The Glee Club members' stunt, "A Very Boring Evening" seems not to be that. The men from Mars and their flying saucers seem to have scared some of them nearly to death.

The time finally arrived and no one who was there either night will forget such famous characters as Man Mountain Crowley, Honest John Svec, and Cecil B. Kaplan of the Junior stunt, "Making Western Movies."

Notice Honest John and the Hadacol bottles on his bar. Wonder why he doesn't like lemon pie anymore?

The High and Mighty Seniors took first place with "Two Defective Mysteries." The Seventh grade and their "Casey at the Bat" won second honors. Here you can see Mighty Casey striking out.

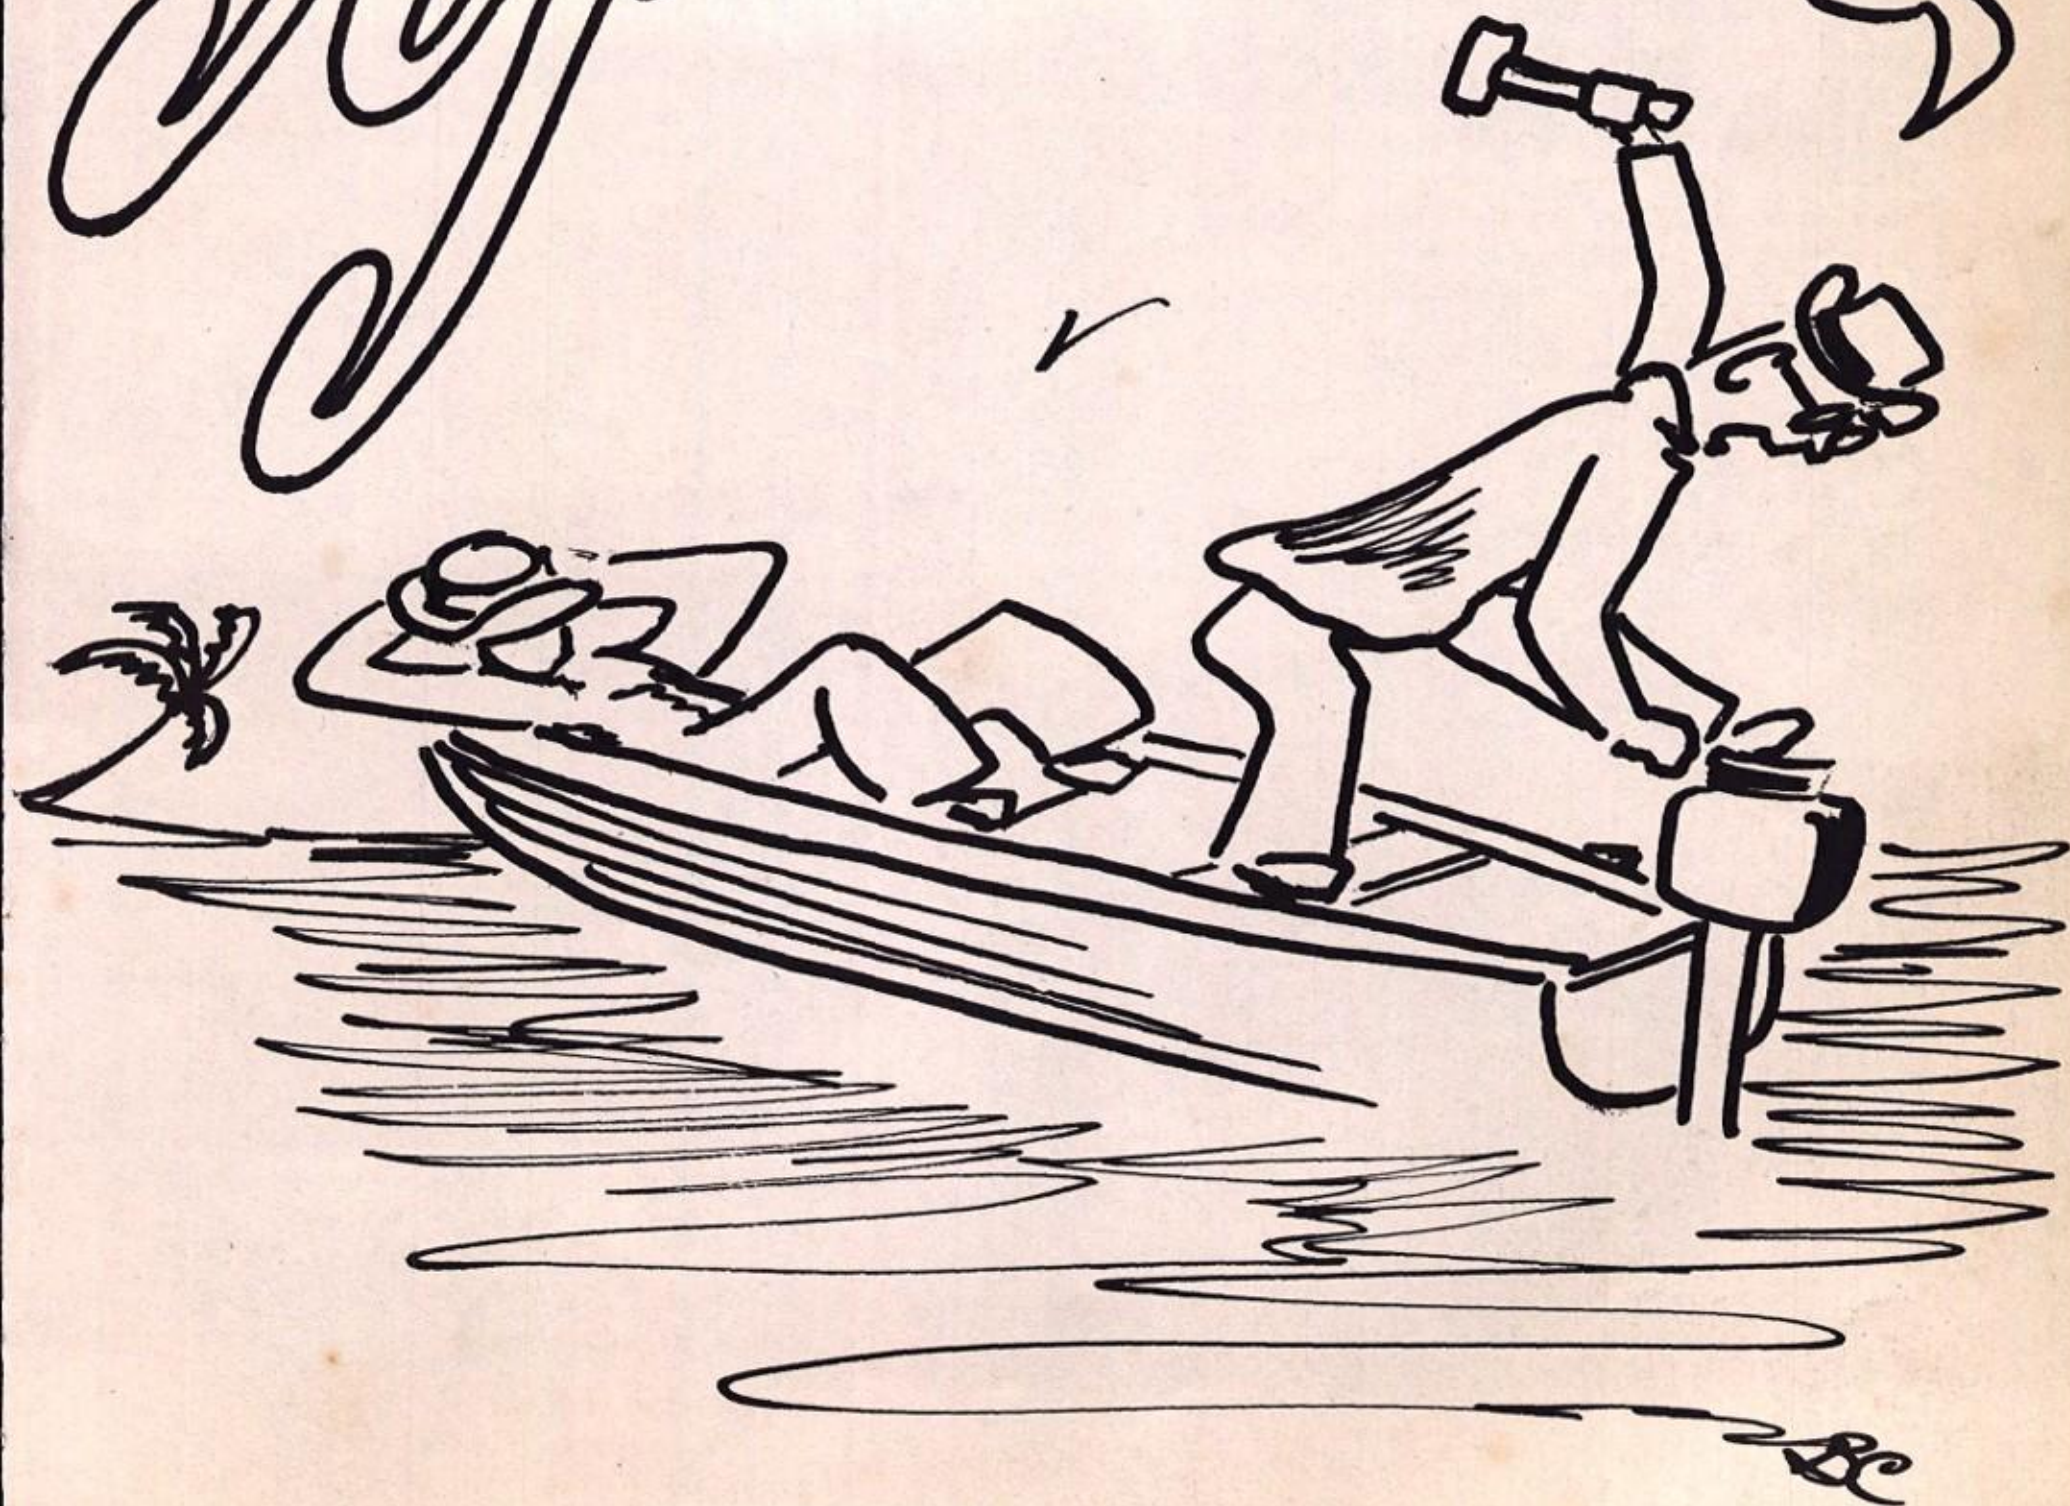

On Friday night the feature contest winners were presented. Mr. Bryan crowned Miss F.P.H. and Most Popular Boy.

As they left people were heard saying, "I haven't laughed so much in a long time."

The name, SIGMA LAMBDA CHI, is composed of Greek letters, which are the initial letters of the three ideals upheld by the society—Scholarship, Leadership, and Character. The girls from the Sophomore, Junior, and Senior Classes who possess these qualities form the membership of this club. The projects of this club are always very helpful to the school. This year, some of the projects have been: buying an American Flag for the school auditorium, giving Christmas baskets and other help to needy school children, and decorating the Boy Scout Cabin for the use of the students.

# BAND

## HALF-TIME SHOW

In their colorful green and gold uniforms, our BAND is easily and welcomingly spotted. They were on hand at the football games and their drills were something to behold. Never did we know just what to expect, but Major and the band always made us proud of them.

This year the band was fortunate enough to attend every football game, even the long trip to Gainesville. Due to crowded conditions the members had to stay in Eustis but managed to get in a visit to Silver Springs.

During the winter the band played several Sunday afternoon concerts. The "standing room only" sign was always out, for our band draws people from many miles around to its concerts.

Another "first" this year was our corps of twirlers. They have proved themselves to be a welcome addition, especially during parades.

Now, as the annual goes to press the sound of drum cadences sounds over the campus. Thursday nights also we find them practicing. We know contest is not far off. Under the capable direction of "Major" and "Doc" we are sure they will bring another first division rating back to us. Yes, every time you see the green and gold of a band you can proudly say, "There goes THE BAND, the Fort Pierce High School Band."

The Fort Pierce Chapter FUTURE FARMERS OF AMERICA is only four years old but is proud of its record. It has won a place of respect among the student body, the faculty and the people of the community. Last year these boys did as their projects, 36 acres of crops, 422 head of livestock and 4126 head of poultry and 5252 cuttings with a net income of \$34,309.32, all of which was done outside of school time.

Because of the outstanding work of these boys last year the Fort Pierce Chapter was awarded an attractive certificate for winning second place in the district—this year they are striving for first place in the state.

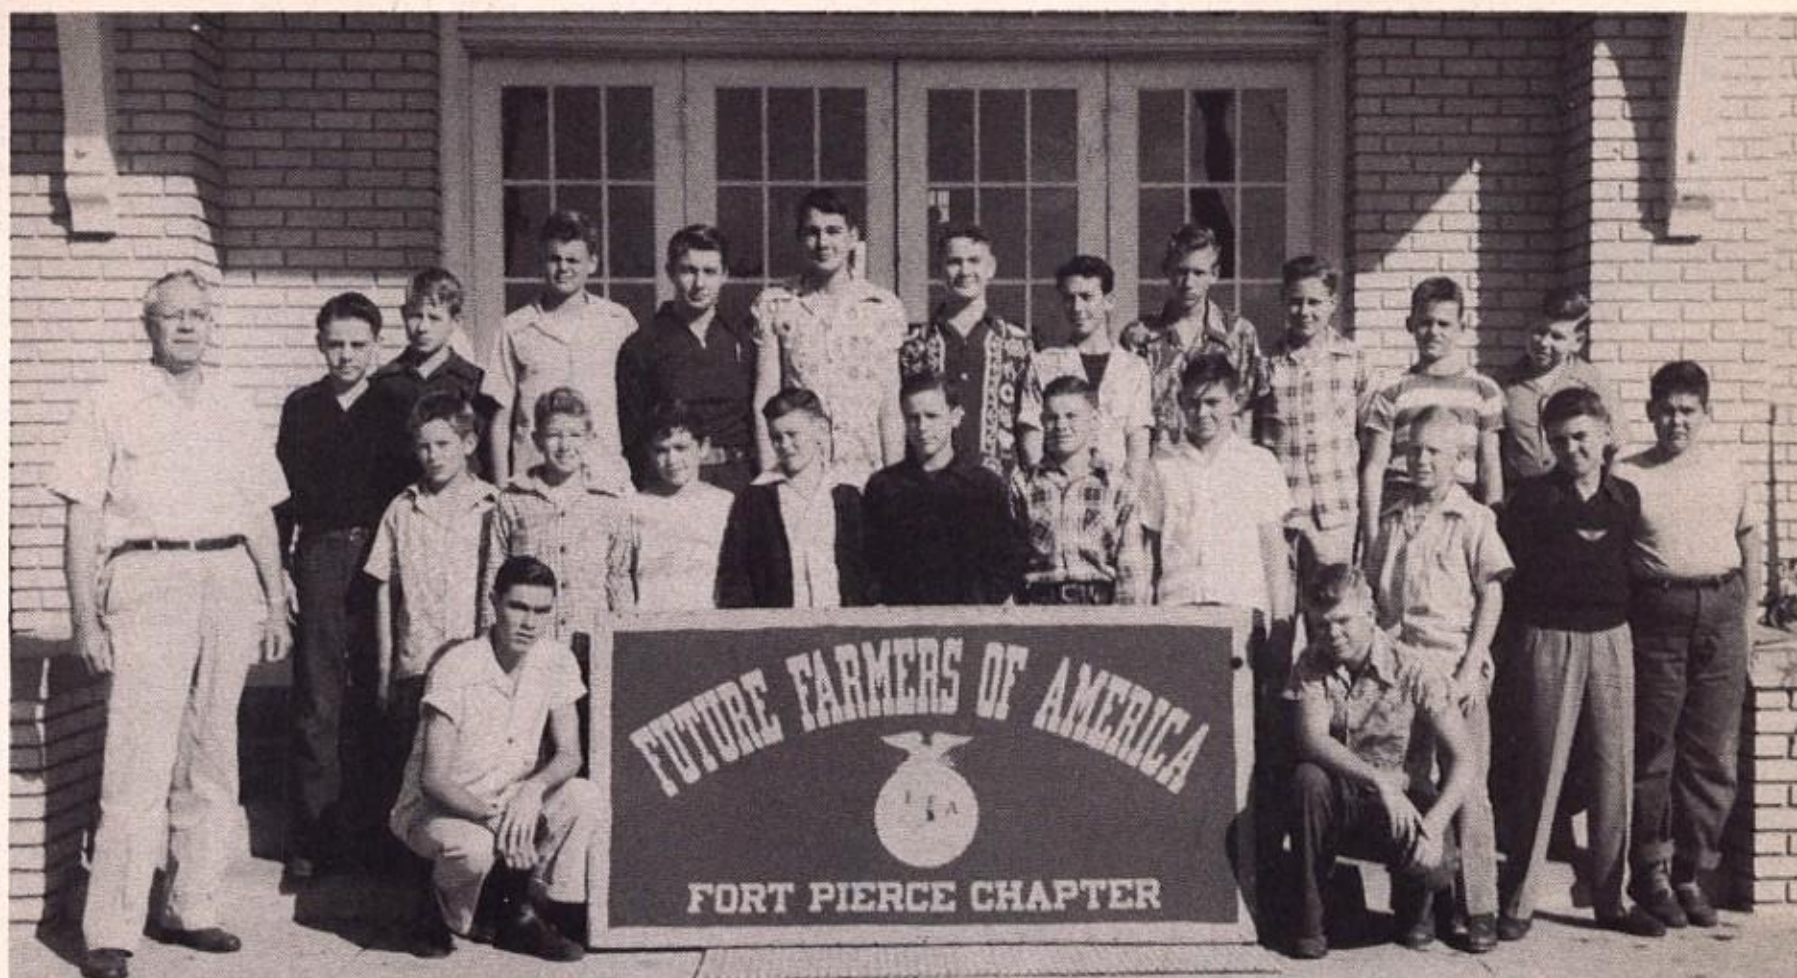

Athanas, his sponsor and his prize calf.

The FFA Chapter provides an excellent opportunity in leadership training. The Chapter officers display this leadership while conducting the more than five chapter meetings held each month. The membership is divided into two equal groups of eighth grade boys and one high school group of high school FFA members. Each group has its own officers.

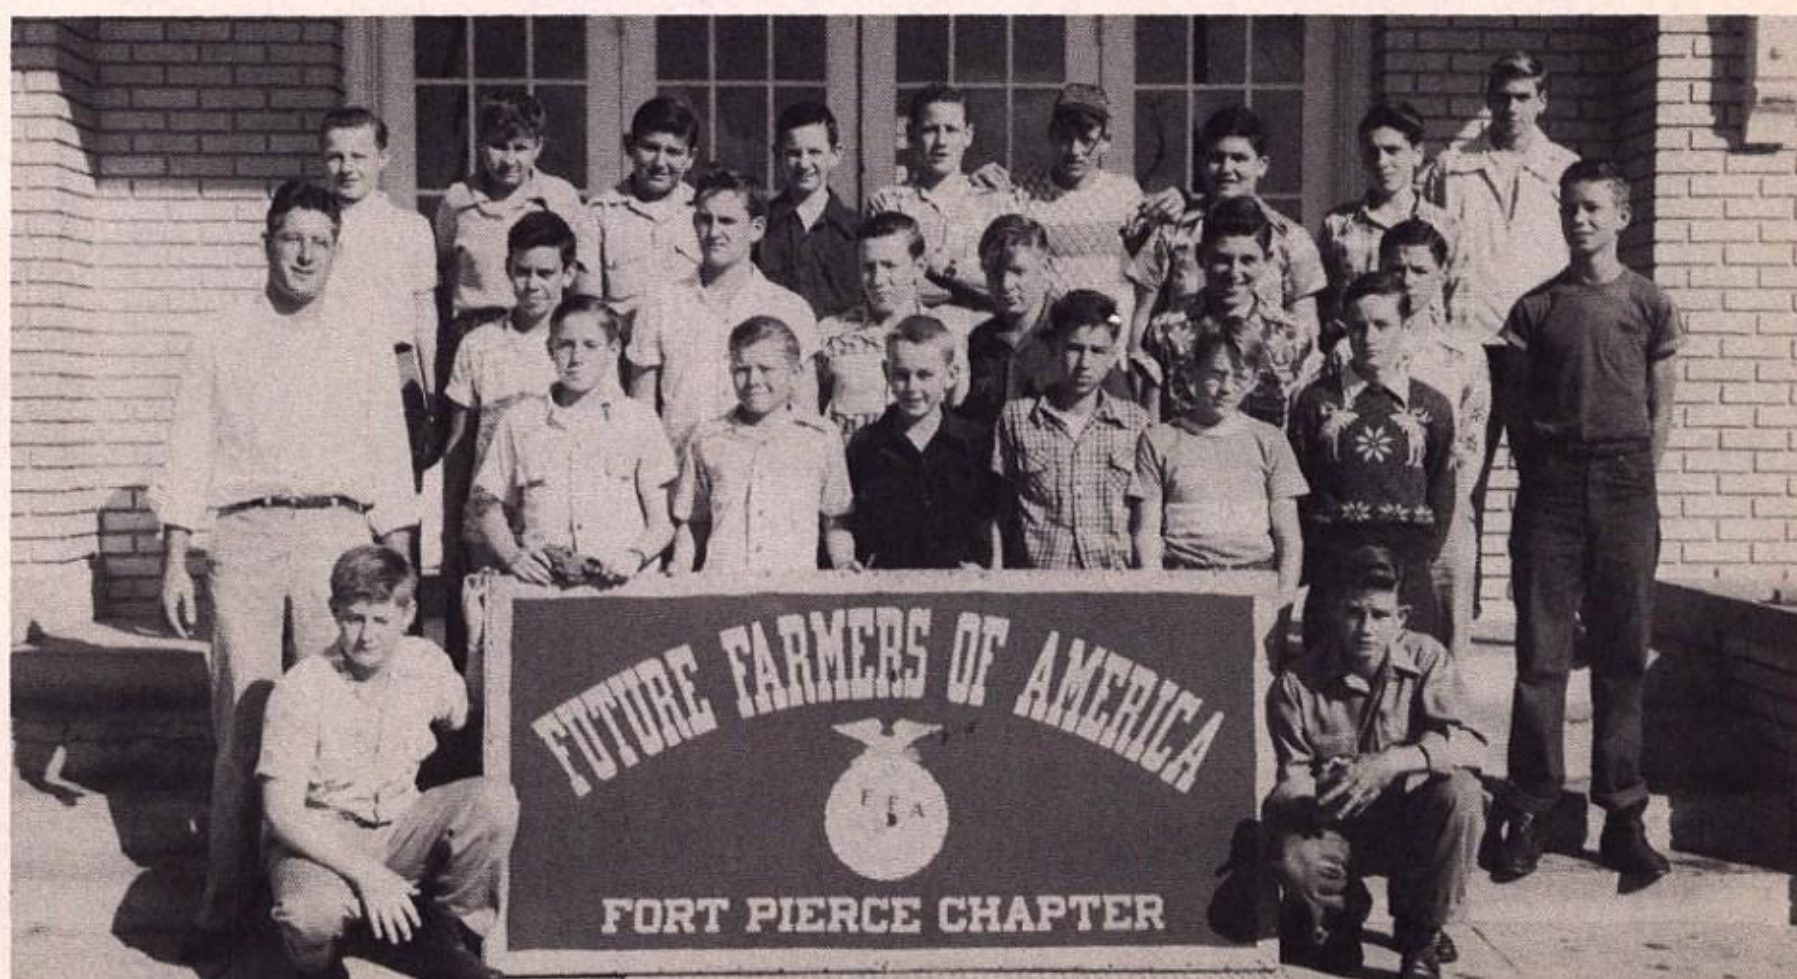

These boys own their own livestock herd of 10 cattle, three of which are registered, they farm 15 acres in crops, manage 625 acres of pasture with much of the pasture land in slash pine.

The class of 1951 presented their JUNIOR PLAY on February 16th and 17th, 1950. Mr. John C. Eyler was the able director and Ronnie Campbell and Bitsy Frink will never be forgotten for their portrayal of the character parts of the play, "Spiffy" and "Miss Clementina." The colored maid Melindy, played by Joan Ordway, and Moe Rosenberg, played by Bill Cato, brought many laughs from the enthusiastic audience on all the performances. The three foreign beauties portrayed by Nancy Leeper, Sue Humphrys, and Kathryn Thompson made the play more interesting by complicating the love problems of Bob Morrison, Bob Morton, and Velma Matthews, Pat Harrison.

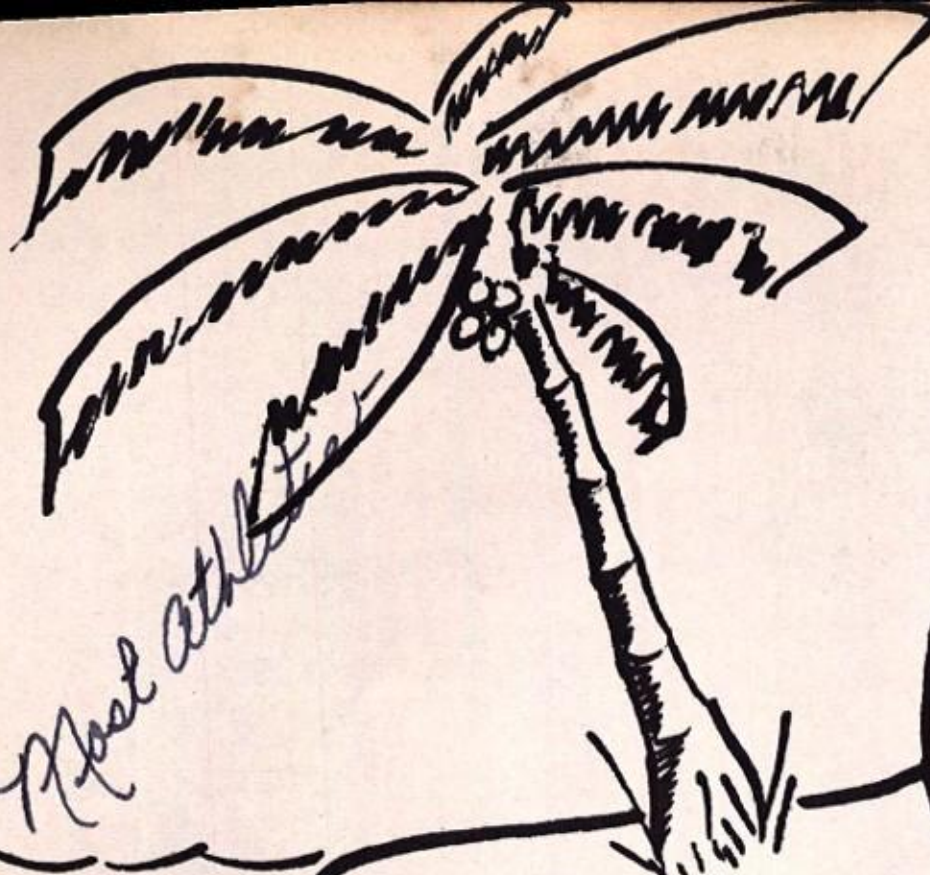

The whole cast had a wonderful time putting on "You're the Doctor."

For the first time the traditional Vero Beach-Ft. Pierce Thanksgiving game will be played in the beautiful new Hibiscus Bowl.

The 1950 Fighting Eagles are shown here in this group picture, first row, left to right: M. Silver, C. Godwin, G. Clark, C. King, R. Taylor, B. Burney, B. Deitz, B. Krause, L. Bass.

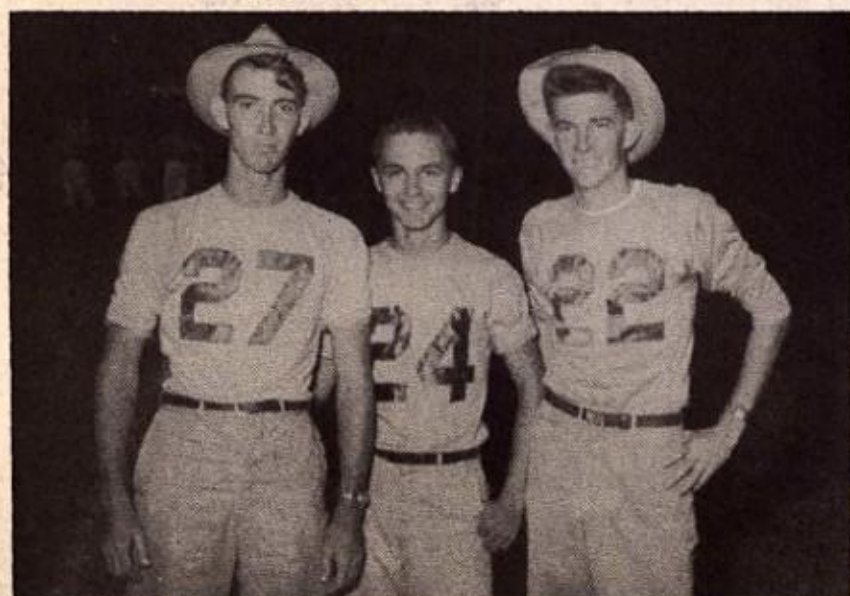

Second row: K. Prescott, J. W. Jones, B. Anderson, R. Selph, B. Neill, J. Svec, T. Kuhn, H. Rohn, R. Willes.

Third row: B. Cato, E. Enns, G. Boyd, H. Crowley, F. Cheatham, B. Crebbin, D. Secrest.

Fourth row: R. Shipman, B. Skaggs, F. Summerlin, B. Hutchinson, B. Scharfschwerdt, J. Baggett, R. Rogers, F. Strunk, S. Whiddon and T. Bryant.

The last row also includes H. Carrera, R. Black and W. Alford, student managers. At far right is Assistant Coach Bill Orr, now in the Marines and Head Coach Hunk Slay.

The FORT PIERCE FIGHTING EAGLES of 1950 starting their fifth season under Coach Larry Slay, won the newly organized Suncoast Conference. The Eagles had as their assistant coaches Max King and Reid Moseley. Coach Bill Orr started off the year with the Eagle line, but he was called back into military service. The will to win and the team spirit carried the Eagles through a 10-game schedule with nine wins and one loss.

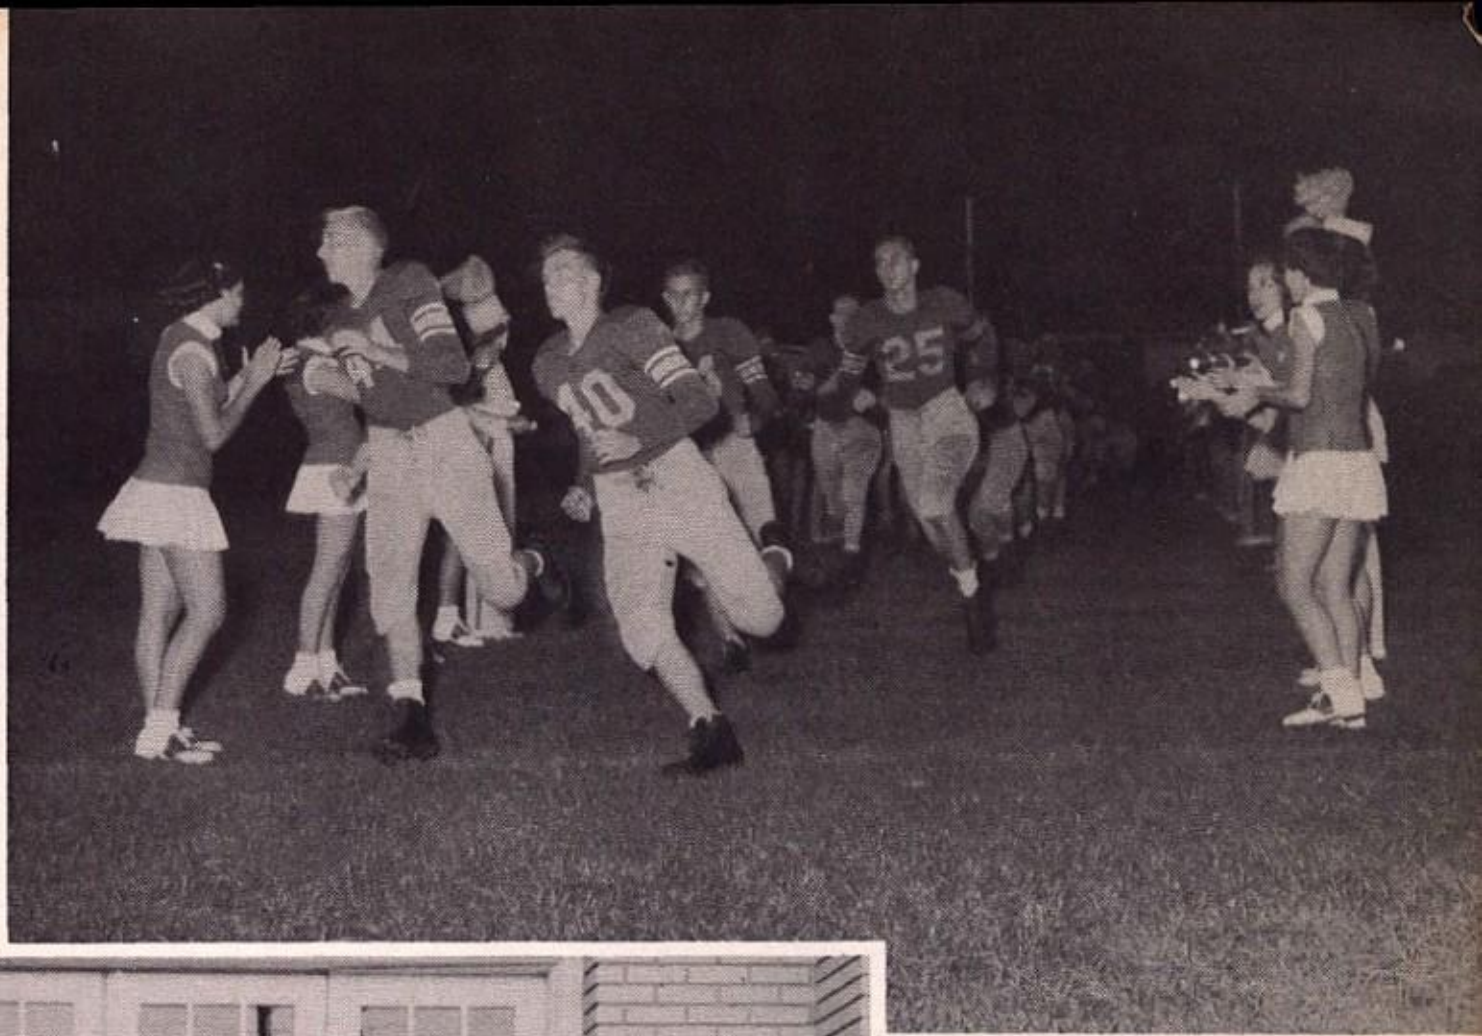

Manager Ray Black, Don Talmon, Warren Alford

Pre-Game Show. Before the home games the band marched onto the field and played the Star Spangled Banner. Following this they formed a company front and while they played "Green and White" the football team ran through. Co-Captains Deitz and Taylor led the squad of some 40 members.

Each September the lettermen's club holds tryouts and elections of cheerleaders. This year they were: J. Gainous, B. J. Gainous, S. Taylor, Captain, B. J. Sloan, S. Warne, D. Schurmann, M. Keene. These girls attend every athletic contest F.P.-H.S. enters. They were in charge of our weekly pep assemblies and have done a fine job to build spirit for F.P.H.

This year for the first time we were able to know just how many minutes were left in the quarter, half, and game. We owe our thanks to the Jaycees and the Auxiliary for putting our electric scoreboard up.

**FORT PIERCE—32  
STUART—0**

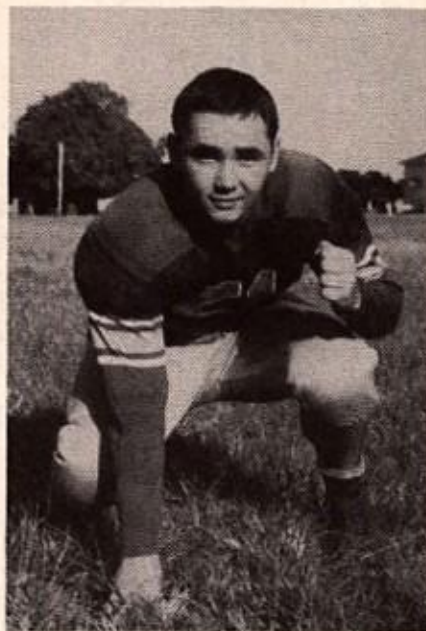

The Fort Pierce Fighting Eagles opened their 1950 season with a 32-0 victory over the Stuart Tigers. Deitz passed to Burney for one touchdown, Clark picked up a fumble and ran 50 yards for another; Krause intercepted a pass and went all the way and King took a hand off and intercepted a pass for the final two tallies. Deitz kicked two extra points.

MIAMI TECH—2**

A fast and flashy Eagle team outplayed a heavier Miami Tech "11" to win 6-2. The Eagles played inspired football and the line play was excellent. Ft. Pierce made a touchdown within the first six minutes of the first quarter. King on a right end run scored.

**FORT PIERCE—47  
ADMIRAL FARRAGUT—0**

The Eagles won their fifth straight victory over Admiral Farragut of St. Petersburg by a lopsided score of 47-0. Ft. Pierce got off to a slow start, but in the second half they came to life. **FORT PIERCE—0  
CORAL GABLES—13**

The Fighting Eagles lost their first game of the season to a bigger Coral Gables Cavalier team by a score of 13-0. Once the Eagles were on the opponent's six yard line, twice on the ten yard line and twice inside the five, but on each occasion, the Coral Gables forward wall fought off thrusts or passes which went incomplete or intercepted.

Our fighting Eagles got back in the win column by a 20-6 win over the South Broward Bulldogs. King also kicked two extra points.

FORT PIERCE—26  
P.K. YONGE—6

The Fort Pierce Eagles traveled to the chilled section of North Florida and, after a scoreless first quarter of feeling out the tough opposition, settled down to a precision job of passing the rugged Blue Wave of P.K. Yonge to a 26-6 defeat. Coach Slay used all 37 men who made the trip. King scored three touchdowns and Scharfschwerdt made one. King made two extra points.

FORT PIERCE—21  
VERO—0

Held at bay for three quarters and five minutes of a bitterly contested Thanksgiving game at Vero Beach the Fighting Eagles struck with savage blows to score three times in short order to win 21-0 over their traditional rivals, the Vero Indians. This game also won us the Suncoast Conference Championship. Deitz scored once, Scharfschwerdt once and King caught a pass to score and also kicked three extra points.

Homecoming each year draws more and more students and alumni to the annual Thanksgiving game between Vero Beach and Fort Pierce. No classic is complete without a funeral service for the dear departed Vero Indian. As you see here the members of the football team are the pallbearers. Notice the mournful expressions on the faces of the students.

Before the great game began, our homecoming Queen Pat Thompson, her student attendant Nancy Norton and alumna attendant Jean Park together with co-captains Deitz and Taylor and two officials proceeded to the center of the field to meet the Vero Queen, captain and officials. Excitement was definitely supreme.

21-0! We were overjoyed to be able to carry the goal posts victoriously back to Ft. Pierce. Again we had met the brave Vero Indian and again he had been sent to the happy-hunting ground.

# BASKETBALL

First row: B. Crebbin, F. Strunk, M. McMullian, D. Secrest, C. King.

Second row: Manager D. Talman, C. Hantman, H. Crowley, L. Ray, B. Deitz, J. Baggett, Coach Fred Huff.

This year the Fighting Eagle basketballers got off to a flying start by winning their first five games before dropping one. As the season came to an end, it proved to be a very successful one due to the old Eagle spirit, and the fine coaching of Coach Fred Huff.

For the third straight year, all games were played away from home, due to the lack of a gymnasium in Fort Pierce. Practice sessions were held on a concrete court which earned the Eagles the title of "Concrete Orphans." Here's hoping that next year the Eagles will have a gym to play in so that the Eagles' boosters can see some good basketball.

This year the Fighting Eagle "B" squad under the coaching of Coach Reid Moseley, had a very successful season. They won all of their games except two, which is a very good record.

These boys are the Fighting Eagles of tomorrow, they deserve a lot of credit for staying out and playing as hard as they did.

This year there was no tournament for the "B" squad so the boys went down and watched the varsity play. The "B" team is getting the experience they need to play on the varsity.

# STATE CLASS "B" CHAMPS 1950

First row: J. Svec, B. Neill, B. Burney, Bat Boy J. Japp, D. "Poncho" Secrest, E. Enns, M. Mullian.

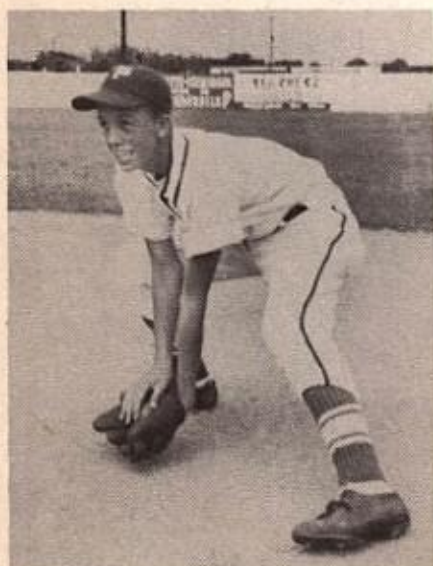

Second row: R. Rogers, E. Kaplan, C. Kite, C. Jaap, H. Carrera, F. Kendall, C. King, Coach Earl Stokes.

During the summer of 1950, the FIGHTING EAGLES under the coaching of Earl Stokes won the State Class "B" Baseball Championship held in Avon Park, June 13-16.

The Eagles' first game in the tournament was a 5 to 4 win over Fletcher High of Jacksonville. The second one was a 12 to 2 decision over Avon Park, the host team, and the third and final game a 11 to 4 win over Deland.

This year the Fighting Eagles have a very good team, most of which are returning veterans from last year's State Championship team. Under the coaching of Coach Earl Stokes, the Eagles have worked long and hard to live up to the standards set by Eagle teams of the past.

This year the State Class "B" tournament is going to be held in Fort Pierce, where some of the best teams in Florida will compete for the State Championship which the Eagles now hold. Win or lose, we know that the Eagles will always be out there with the old spirit to win.
